

Steeton Male Voice Choir Telephone Tree

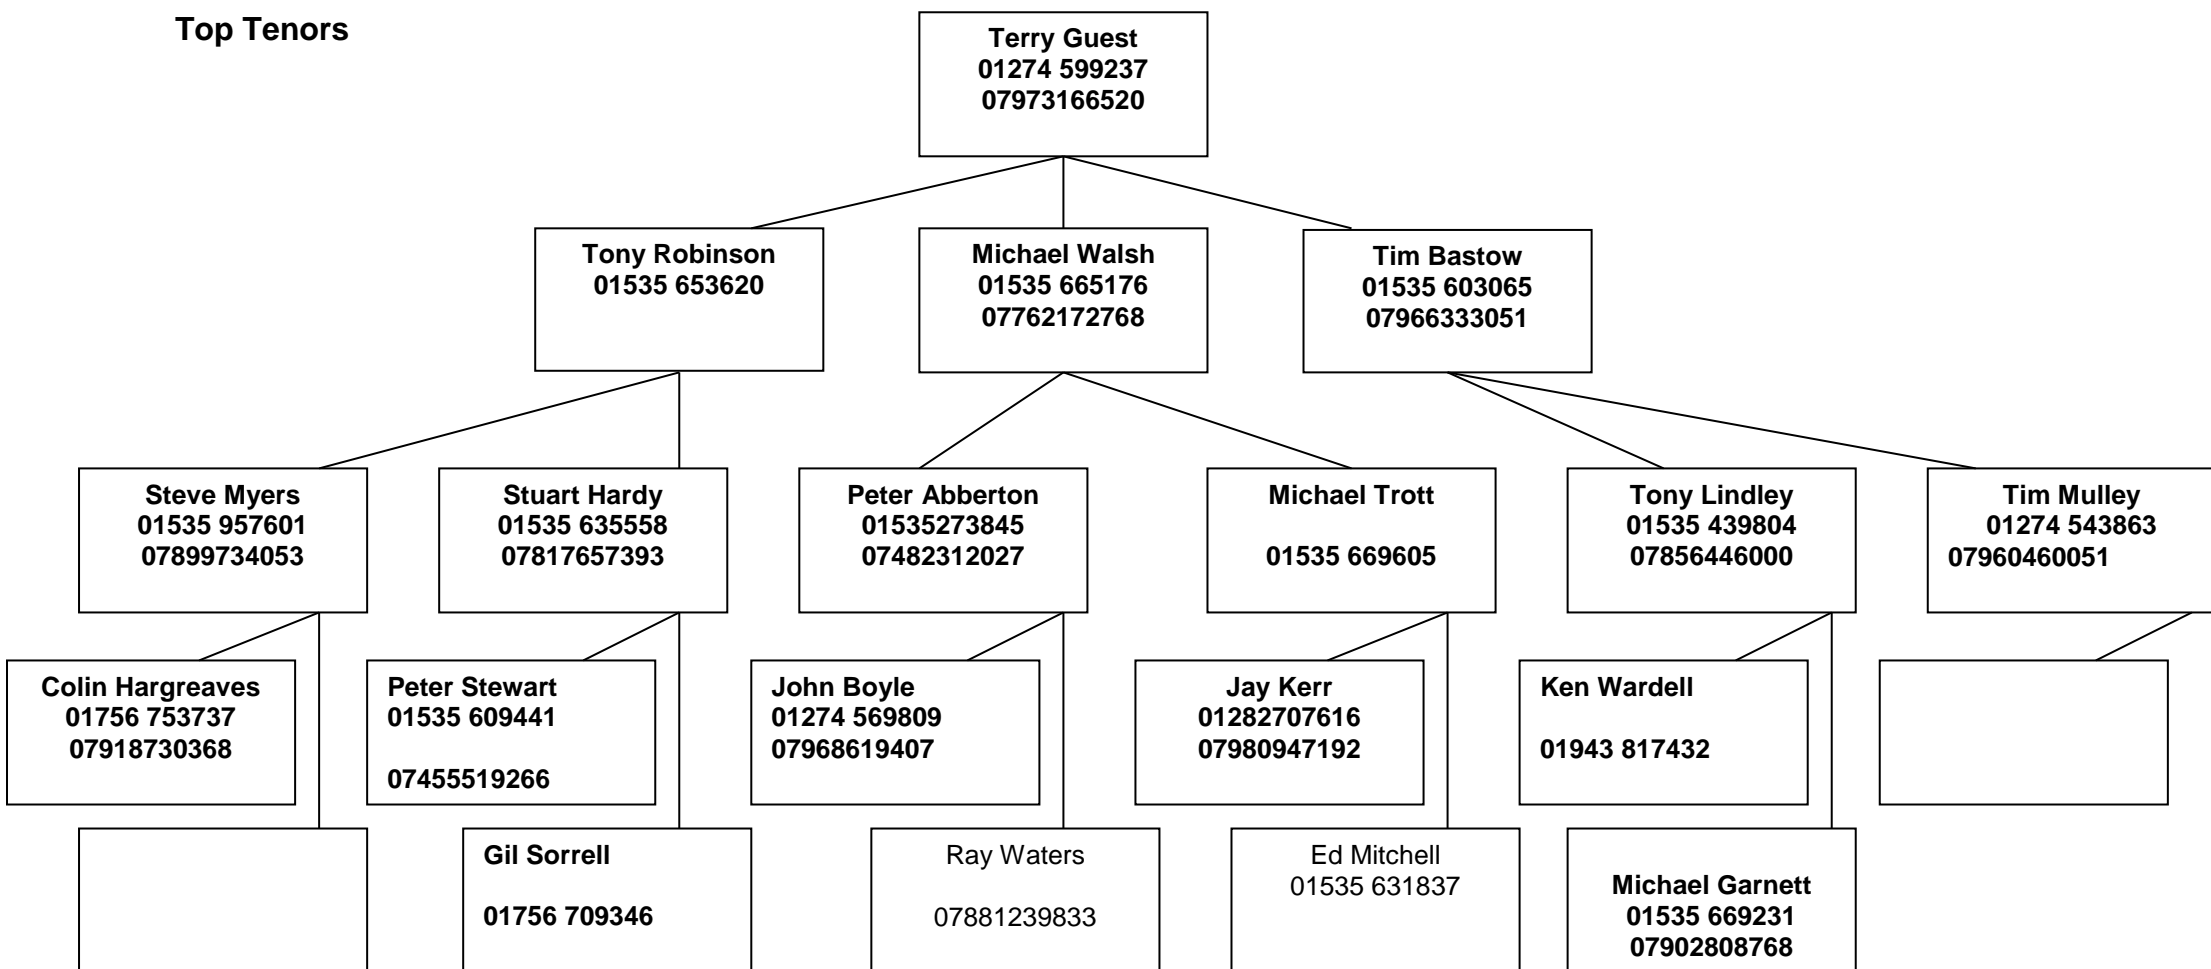

The telephone tree/chain will operate should a concert get cancelled by the organisers or should it be decided to cancel a choir event or a rehearsal.
If a concert is cancelled by the organisers the concert secretary is to contact one of Chairman, Secretary or M.D. who will make the first contacts.

For rehearsals and choir events the Chairman, Secretary and Musical Director will liaise to make a decision to cancel or not and between them they will make the first contacts to part representatives and Pat.

All involved should follow the links to make their phone calls down the chain. If you do not speak personally to someone please move down the chain and phone the men under their name.

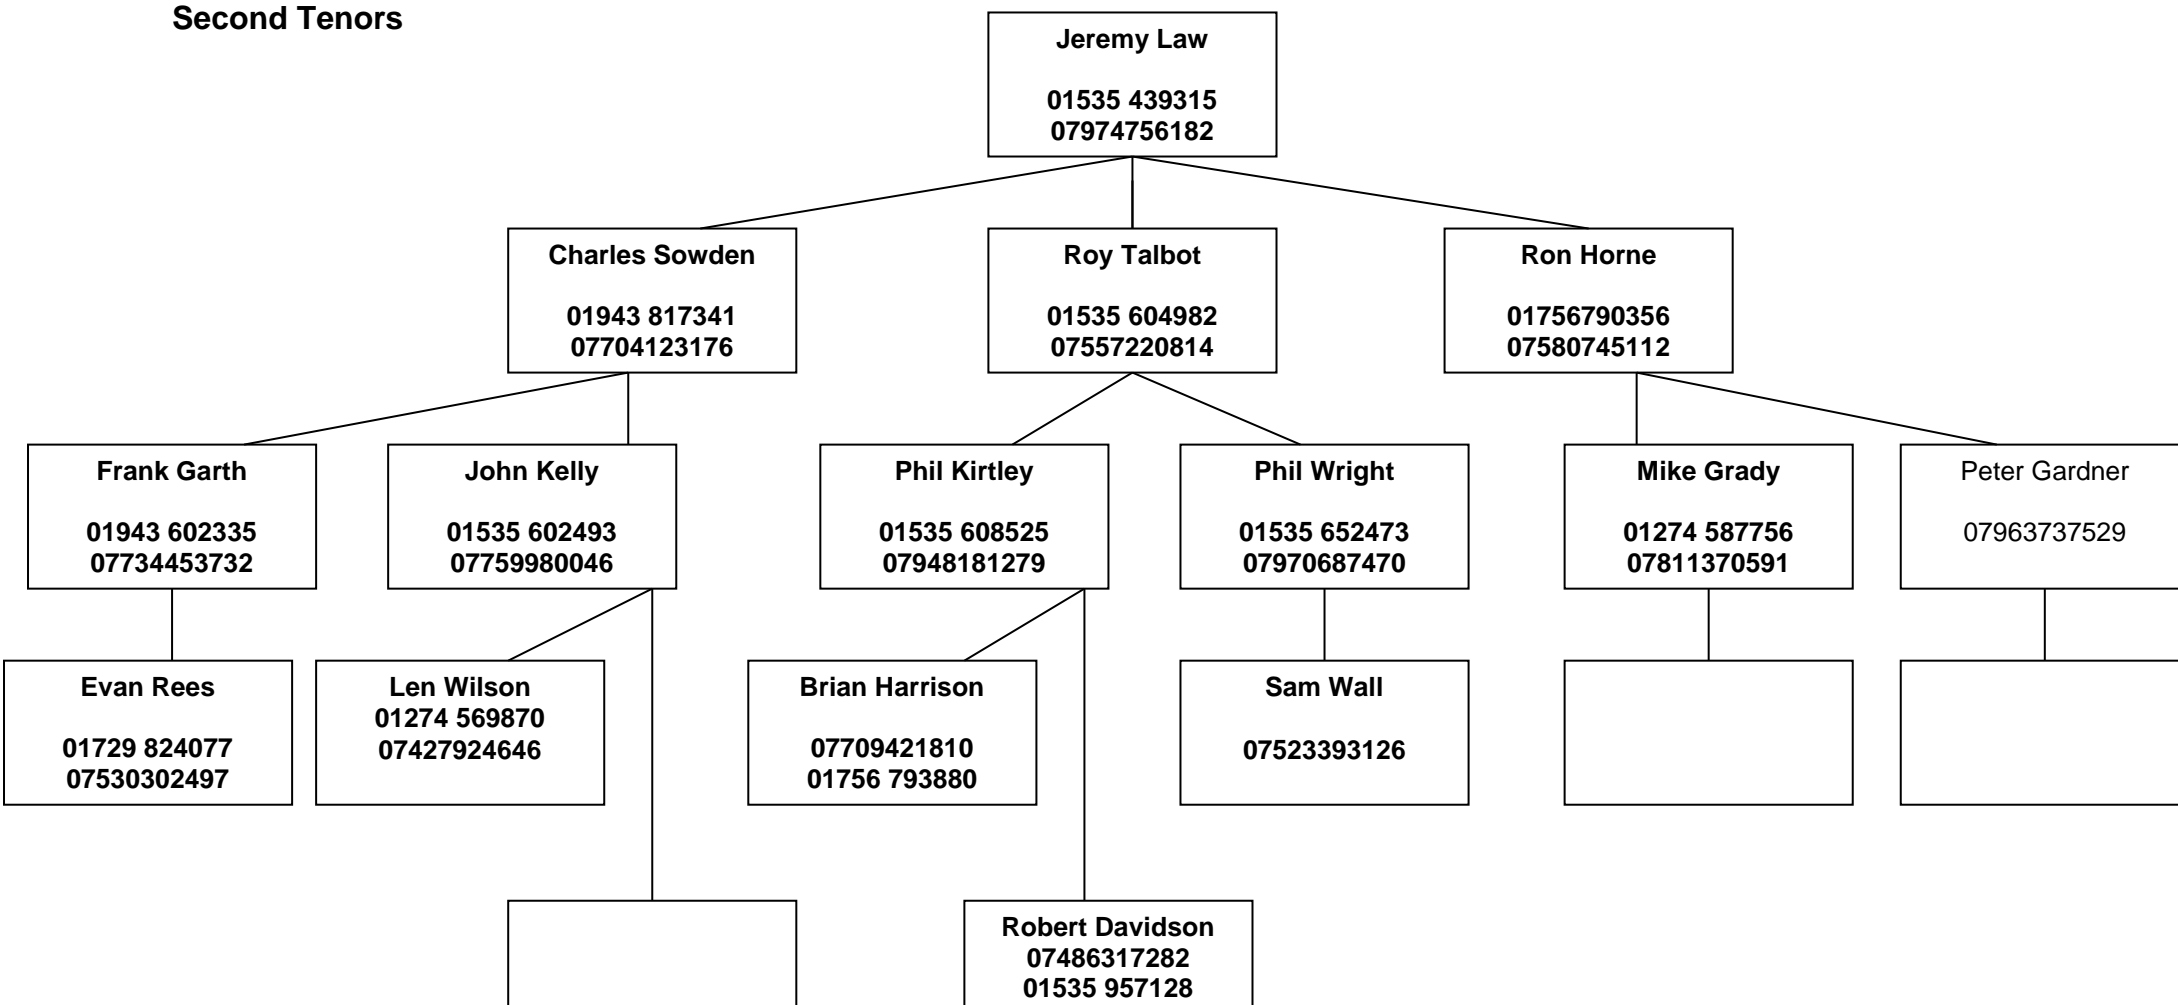

Please try to contact the 'missing links' at a later time. Thank you
